MURRAY HILL 3-1800

Dear Dr. Lederberg,

I am sorry that I have no reprints available of Vol 2. I gave Max Delbrück  $\frac{1}{2}$  of my allotment, (for his invaluable suggestions), which he distributed abroad and most of my remaining half were also sent abroad to people who lack dollar exchange. I felt that their need was greater than that of people in the U.S.A.

Sincerely yours,

of Mark H. Adams
